

Kratos KnownSpace Network Price List

2026-02

Purchase Minimums

All services except KSS-STARTER-KIT and KSS-TMD-10PK-R1 require a \$100,000 purchase minimum.

Price Validity and Escalation

Kratos reserves the right to modify this price list at any time without notification. Annual escalation is based on underlying costs to delivery capabilities and is set solely at the discretion of Kratos but may be reasonably modeled at 3.5%.

P/N	Description	Price
Catalog Subscriptions		
KSS-SUB-TMD-S-R1	Monthly subscription to Tracking & Maneuver Detection for one satellite with static tasking and Single Mission redistribution licensing.	\$1,982
KSS-SUB-TMD-S-R2	Monthly subscription to Tracking & Maneuver Detection for one satellite with static tasking and Government redistribution licensing.	\$3,172
KSS-SUB-TMD-S-R3	Monthly subscription to Tracking & Maneuver Detection for one satellite with static tasking and Unlimited redistribution licensing.	\$5,947
KSS-SUB-TMD-D-R1	Monthly subscription to Tracking & Maneuver Detection for one satellite with dynamic tasking and Single Mission redistribution licensing.	\$5,947
KSS-SUB-TMD-D-R2	Monthly subscription to Tracking & Maneuver Detection for one satellite with dynamic tasking and Government redistribution licensing.	\$7,532
KSS-SUB-TMD-D-R3	Monthly subscription to Tracking & Maneuver Detection for one satellite with dynamic tasking and Unlimited redistribution licensing.	\$8,920
KSS-SUB-TMD-E-R1	Monthly subscription to Tracking & Maneuver Detection for one satellite with static tasking and Single	\$2,973

	Mission redistribution licensing, with enhanced revisit rates.	
KSS-SUB-SSC-R1	Monthly subscription to Signal Survey & Characterization for one GSO satellite with Single Mission redistribution licensing.	\$7,229
KSS-SUB-SSC-R2	Monthly subscription to Signal Survey & Characterization for one GSO satellite with Government redistribution licensing.	\$14,458
KSS-SUB-SSC-R3	Monthly subscription to Signal Survey & Characterization for one GSO satellite with Unlimited redistribution licensing.	\$21,688
KSS-SUB-NSSC-R1	Monthly subscription to Signal Survey & Characterization for one LEO satellite with Single Mission redistribution licensing.	\$28,917
KSS-SUB-NSSC-R2	Monthly subscription to Signal Survey & Characterization for one LEO satellite with Government redistribution licensing.	\$57,834
KSS-SUB-NSSC-R3	Monthly subscription to Signal Survey & Characterization for one LEO satellite with Unlimited redistribution licensing.	\$86,750
KSS-SUB-ESSC	Enhanced Signal Survey and Characterization Monthly Subscription Monthly Subscription with Single Mission redistribution licensing.	\$14,458
KSS-SUB-PSSC	Persistent Signal Collection and Characterization Monthly Subscription	\$103,880
KSS-SUB-PSD	Monthly subscription to Power Spectral Density for one transponder with Single Mission redistribution licensing	\$1,399
KSS-SUB-EMI-R0	Monthly subscription to EMI Alerting for one transponder with no underlying data licensing	\$1,972
KSS-SUB-EMI-R1	Monthly subscription to EMI Alerting for one transponder with Single Mission redistribution licensing	\$2,459
KSS-SUB-EMI-R2	Monthly subscription to EMI Alerting for one transponder with Government redistribution licensing	\$3,303

KSS-SUB-EMI-R3	Monthly subscription to EMI Alerting for one transponder with Unlimited redistribution licensing	\$3,795
On-Demand Services		
KSS-STARTER-KIT	The SDA Services Starter Kit is a two-month introductory service that enables a new customer to explore Kratos' SDA services	\$45,000
KSS-TMD-10PK-R1	Tracking and maneuver detection for 10 satellite-months.	\$38,000
KSS-OD-SSA	One-time Signal Survey and Analysis on a single satellite	\$26,288
KSS-OD-TRNSDR	One-time transponder Mapping Analysis on a single satellite	\$11,978
KSS-OD-RFC	One-time RF Custody collection on a single frequency range	\$29,680
KSS-OD-PSD	One-time Power Spectral Density Scan on a single satellite	\$4,664
KSS-OD-GEO-SOI	Signal of Interest Geolocation	\$33,855
KSS-OD-GEO-EMI	EMI Mitigation Geolocation	\$22,016
KSS-OD-GEO-ONR	Owner/Operator Signal Geolocation	\$10,417
KSS-OD-RFSA-L1	RF SDA SME Support Level 1	\$9,928
KSS-OD-RFSA-L2	RF SDA SME Support Level 2	\$27,000
KSS-PROD-INT-NRE	SDA capability integration and tailoring engineering	\$292
Priority Access		
KSS-PRAC-WK	One Aperture Priority Access Service Week	\$93,280
KSS-PRAC-WK-AF	One Aperture Priority Access Service Week – Activation	\$58,300
KSS-PRAC-MN	One Aperture Priority Access Service Month	\$314,820
KSS-PRAC-MN-AF	One Aperture Priority Access Service Month – Activation	\$94,340
KSS-PRAC-YR	One Aperture Priority Access Service Year	\$2,280,696
KSS-PRAC-YR-AF	One Aperture Priority Access Service Year – Activation	\$380,116
